Telecom, Energy, Medical Electronics, Defense Electronics to leading Companies such as Analog Devices Inc.

The visit to Pyspider was learning and knowledge gaining experience, as the students got an opportunity to know more about some technical aspects of IoT, its current applications and ongoing projects on it. The visit was very useful to the students in a professional manner. The visit to Pyspider started at 9:30am from our campus. After travelling for around 2 hours or so we reached the Pyspider campus at Whitefield. We were welcomed with tea and snacks. After having a good mid morning snack we moved into the Auditorium for the event. The session started off by a welcome address by Ms. Anjana, Regional Head- Talent Acquisition. She gave us a brief on all the events conducted by Pyspider which is open to students and gives students the opportunity to showcase their talents and skills.

Mysore Palace, also known as Amba Vilas Palace, is a historical palace and a royal residence (house). It is located in Mysore, Karnataka. It used to be the official residence of the Wadiyar dynasty and the seat of the Kingdom of Mysore. The palace is in the centre of Mysore, and faces the Chamundi Hills eastward. Mysore is commonly described as the 'City of Palaces', and there are seven palaces including this one. However, the Mysore Palace refers specifically to the one within the new fort.
