## **Department of Computer Science and Engineering**

### **2. News letter:**

The Department of Computer Science and Engineering has started a newsletter in the name of "CSE GLORY," and Volume I was launched in the year 2019. It is published every Quarter yearly of an academic year. It focuses mainly on the major events organized for the year, student and faculty publications, achievements, campus placement, industrial interactions, visits, higher studies, extracurricular and co-curricular activities, and many more in the department for every semester. The department publication committee will manage the process for both the magazine and the newsletter.

## **Workshop:**

### **Dear colleagues**

It is our genuine pleasure to invite you to our department from the academic year 2023-2024.

This is to certify that ICT Academy in association with Honeywell conducted training on "AWS Certified Cloud Practitioner (CLF-CO1)" for 100 hours from 1/8/2023 to 18/8/2023. This training is imparted to our students with essential knowledge of AWS Concepts provided by Honeywell through valuable Hands-On experience. The training is conducted during the Academic Year 2023-24 at Sri Vasavi Institute of Engineering & Technology, Nandamuru in an exemplary manner. We feel honored to be recognized as "Center of Excellence for Women Empowerment" and are happy that our students are trained well on Advanced IT Skills under Honeywell Student Empowerment Program. We wholeheartedly thank ICT Academy and Honeywell for providing this great opportunity and making them industry ready.
