Subject: Proposal for Organizing a Career Guidance Program on "Importance of Coding" for Final Year Students

Respected Sir,

Greetings from the **Training & Placement and Career Guidance (TPCG) Cell**.

I am writing to seek your kind approval for conducting a **Career Guidance Program** titled "**Importance of Coding**" for the **Final Year B.Tech students** of all departments. This session is proposed to be organized on **2nd November 2024** at the SVIET campus under the coordination of the TPCG Cell.

The objective of this program is to highlight the growing relevance of coding skills in the current job market, especially across IT, product-based, and core companies. It aims to inspire students to enhance their coding proficiency, understand real-world application of programming, and prepare effectively for technical assessments during campus placements.

The session will cover the following key aspects:

- Why coding is essential across all engineering branches
- Common coding platforms and competitive programming
- Industry expectations in coding and problem-solving
- Roadmap for improving coding skills before graduation

The session will be delivered by internal or external technical experts and will include live examples and an interactive Q&A session.

Thank you for your continued encouragement in guiding our students toward career readiness and professional success.

With regards,

D. Adithya Kumar
TPCG Cell Coordinator

Subject: Request to Conduct an Interactive Session on "Importance of Coding in MNCs Recruitment" at SVIET

Dear Mr. J. S. Phaniram,

Warm greetings from Sri Vasavi Institute of Engineering & Technology (SVIET),
Nandamuru.

I hope this message finds you well. I am writing to kindly request your presence and support in conducting an **interactive session** on the topic "**Importance of Coding in MNCs Recruitment**" for our **final year B.Tech students**.

Given your extensive experience and expertise as a **Tech Lead at Wipro, Hyderabad**, we believe your insights would be highly valuable in helping our students understand the current industry expectations, particularly the role of coding proficiency in securing positions in leading multinational companies.

We would be honored to host you on a mutually convenient date in the coming weeks. The session will be organized by our **Training & Placement and Career Guidance (TPCG) Cell**, and we will ensure all necessary arrangements for the session are made to your convenience.

Your guidance will not only motivate our students but also equip them with a clearer perspective on preparing for successful careers in the IT industry.

Looking forward to a positive response.

Warm regards,

Dr. B Raja Srinivasa Reddy

Title: Career Guidance Talk on Importance of Coding in Software Industry

Date: 02-11-2024

Venue: Seminar Hall

Organized by: SVIET/TPCG Cell

Resource Person: JS Phaniram, Technical Lead, Wipro

A technical session on the “Importance of Coding in the Software Industry” was successfully conducted for second and third-year students. Mr. JS Phaniram, Technical Lead at Wipro, delivered an inspiring and practical talk highlighting the essential role of coding skills in today’s software landscape. He emphasized the need for strong problem-solving abilities, continuous learning, and mastering programming languages such as Python, Java, and C++. The session also included real-world examples and career tips. Students found the talk highly engaging and motivating. Feedback reflected a positive and enthusiastic response.
