## **MEMORANDUM OF UNDERSTANDING (MoU)**

### **BETWEEN**

**BIST Technologies Private Limited**

### **AND**

**Sri Vasavi Institute of Technology**

#### **Preamble**

This Memorandum of Understanding (MoU) is entered into on this 19-10-2024 by and between **BIST Technologies Private Limited**, CIN-U62099AP2023PTC111817, Andhra Pradesh, and **Sri Vasavi Institute of Technology**, Pedana, Andhra Pradesh.

#### **Objective**

The objective of this MoU is to establish a collaborative framework for enhancing the skill sets of students and faculty members through various programs such as internships, workshops, Faculty Development Programs (FDP), and initiatives under PMKVY 4.0, in line with the objectives of bridging the gap between academia and industry.

#### **Scope of Collaboration**

The scope of the collaboration between the Company and the College includes, but is not limited to, the following:

##### **1. Internship Programs**

The Company shall offer internships to eligible students of the College for hands-on learning and industry exposure.

Internships will be in areas relevant to the curriculum and the operational expertise of the Company.

The duration and nature of internships will be mutually agreed upon.

# **BIST TECHNOLOGIES PRIVATE LIMITED**

Door No: 33-21-4, First Floor, Seetharampuram Signals,  
Eluru Road, Vijayawada -520002.

## **2. Workshops and Seminars**

The Company shall conduct periodic workshops and seminars on emerging technologies, industry trends, and skill development.

These workshops will provide students and faculty with insights into industry practices, enhancing practical knowledge.

## **3. Faculty Development Programs (FDPs)**

The Company shall assist in organizing FDPs aimed at upskilling faculty members in the latest industry trends and technologies.

These programs will help faculty members to integrate real-world applications into their teaching methodologies.

## **4. Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 4.0 Initiatives**

The Parties agree to collaborate under the guidelines of PMKVY 4.0 to facilitate skill development programs, certification courses, and vocational training for students.

The Company shall assist in providing industry-relevant skills training in accordance with PMKVY 4.0 standards.

Both parties will work together to enable students to gain certification and employment opportunities through the program.

## **5. Research & Development**

The Company and College shall jointly promote R&D activities to foster innovation and solve industry-relevant problems.

Students and faculty members can participate in real-time projects initiated by the Company, potentially leading to new product developments or process improvements.

# **BIST TECHNOLOGIES PRIVATE LIMITED**

**Door No: 33-21-4, First Floor, Seetharampuram Signals,  
Eluru Road, Vijayawada -520002.**

## **6. Placement Assistance**

The Company will offer placement assistance to students who complete their internships, workshops and placement training successfully.

The College will prepare students with industry-relevant skills that align with the Company's employment needs.

## **Responsibilities of the Company**

- To provide mentors, industry experts, and technical resources for conducting internships, workshops, and FDPs.
- To facilitate on-site or virtual training sessions.
- To contribute to the development of training materials and curriculum as needed.
- To ensure compliance with the PMKVY 4.0 guidelines.

## **Responsibilities of the College**

- To nominate students and faculty for the internships, workshops, and FDPs based on eligibility criteria.
- To provide the necessary infrastructure and facilities for organizing the workshops and training sessions.
- To actively promote and encourage participation in the PMKVY 4.0 initiatives.
- To provide feedback on the effectiveness of the collaboration and suggest improvements.

## **Confidentiality**

Both parties agree to keep any confidential information, data, and processes obtained during the course of this collaboration strictly confidential unless required by law or mutually agreed upon for disclosure.

## **Duration and Termination**

This MoU shall remain in force for a period of **3 Years** from the date of signing unless terminated earlier by mutual agreement.

# **BIST TECHNOLOGIES PRIVATE LIMITED**

**Door No: 33-21-4, First Floor, Seetharampuram Signals,  
Eluru Road, Vijayawada -520002.**

Either party may terminate this MoU by providing at least one Month written notice to the other party.

## **Amendments**

Any amendments to this MoU shall be made in writing and duly signed by both parties.

## **Dispute Resolution**

In the event of any dispute arising from this MoU, both parties agree to resolve it amicably through negotiation.

# CHIP ELECTRONICS

(Design Your Career)

## MEMORANDUM OF UNDERSTANDING BETWEEN CHIP ELECTRONICS AND SRI VASAVI

09<sup>th</sup> JULY 2023.

This **Memorandum of Understanding (MOU)** is entered into on this **09<sup>th</sup> July 2023** by **CHIP ELECTRONICS**, Vijayawada and between **SRI VASAVI INSTITUTE OF ENGINEERING AND TECHNOLOGY, (SRI VASAVI), NANDAMURU (Electronics and Communication Engineering Department)**. **CHIP ELECTRONICS** and **SRI VASAVI** agree that cooperation in research collaborations, workshops, Students Internship program and Faculty development programs. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate and post- doctoral students at the partner institutions;
- Faculty and Student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint Conferences and Workshops;
- Team taught courses, including online courses; and
- Visits by Faculty, Professional Staff and Students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any

# CHIP ELECTRONICS

(Design Your Career)

Minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

## Cooperation in Education and Research

In order to facilitate student exchanges between **CHIP ELECTRONICS and SRI VASAVI**, the following section provides general procedural information under which exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate, graduate students. This exchange program will be agreed for the 3 years for **SRI VASAVI (Electronics and Communication Engineering Department) 2023 to 2026.**

Students may engage in paid co-op or paid internship opportunities through placements by the host institution, providing they meet the legal criteria.

# CHIP ELECTRONICS

(Design Your Career)

Responsibilities of **SRI VASAVI** for academic semester or academic year exchanges:

The **SRI VASAVI** will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year abroad (e.g. Medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.
